LCL CONSOLIDATION:

When you want to ship cargo which is small in volume and weight and cannot utilize the capacity of a Full Container Load (FCL), then LCL shipment is the answer.

At Super Freight we package your cargo separately. Several such packages are grouped together in accordance to their destinations and packed into an appropriate sea container after ensuring compatibility with other cargo as well as safety of your cargo.

The advantage of shipping LCL for you as a client lies in the fact that you do not have to pay for the entire container (FCL).

At Super Freight we specialize in providing LCL services, which ensure that you get quality service at an affordable price.

We offer LCL services to following destinations:

- USA East coast -via- New York.
- USA West coast -via- Los Angeles. / Singapore
- Europe / East, West & South Africa / Mediterranean / South & Central America / Canada.
- Scandinavia -via- Rotterdam.
- United Kingdom -via- Felixstowe.
- Far East / Australia / New Zealand -via- Singapore.
- Persian Gulf and North East Africa -via- Dubai.
